Location - Harewood Forest

Story - The Deadman's Plack of Harewood Forest

The Middleway - SP11 6QY. Use this postcode as a guide only. Look out for a lay-by halfway along The Middleway with a sign directing you to Deadman's Plack. Walk along the road until you come to a wooden stile in the hedge. Follow the path across this field and into the wood.

Location - Wherwell

Story - The Cockatrice of Wherwell

Fullerton Road, Wherwell - SP11 7JT. There is a small parking space by the long bridge in the story. Alternatively, there is a larger car park in Chilbolton - SO20 6BD. From here, cross Chilbolton Common to the bridge on the other side.

Location - Danebury Ring

Story - The Travelling Tree of Danebury Ring

Danebury Hill Car Park - SO20 6HZ. If you are using a satnav, it may take you off the main road to the nearest house. In this case, ignore the turning and stay on the main road. Or better still, follow the Brown Signs!

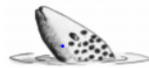

Location - Stockbridge

Story - The White Trout of Stockbridge

Stockbridge Common - SO20 6HF. This is accessed along the river, via a path between Garden Inn and The Little Whisky Shop. Alternatively the Lion's Den car park - SO20 6JA, will give you access to Stockbridge Common and the Test Way.

Location - Mottisfont

Story - The Magical Fish of Mottisfont

Oakley Lane - SO51 0DR. Oakley Lane is at the end of the Stockbridge to Mottisfont stretch of the Test Valley Way Walk. (Or the beginning if you are walking the other way!) Map Links for this section of the Test Valley Way can be found at: www.merry-go-roundstorytelling.co.uk/testvalleytales

Location - Sadler's Mill, Romsey

Story - The Enchanted Flute of Sadler's Mill

Sadler's Mill (by foot) - SO51 8HF. Parking for Sadler's Mill can be found by the War Memorial Gardens - SO51 8HY.

Location - Wellow

Story - The Wild Horses of Wellow

Canada Common Car Park- SO51 6DF. The Car Park is at the end of Plantation Road. Canada Common is part of West Wellow Common. There is ample parking, and the New Forest can be accessed from here.
