Hello!

My name is Amanda, I'm a professional storyteller and author based in Hampshire.

All Merry-go-Round Storytelling's **My Parties** are devised and delivered by me. ❤

You can choose from a variety of interactive storytelling options. Each option will be personalised to make sure your child is the star of the day!

Can't see a theme that works for you?

Don't worry if your child has an unusual request, I am always happy to write a story to suit your day — previous requests include parties for Ewok's and Mr Men fans alike!*

My Parties are a lively mix of storytelling and drama, music and movement, and lots of make-believe fun. They can include a variety of props such as puppets, bubbles, ribbons and of course a play parachute!

All **My Parties** are bespoke. They are personalised and can include your child's favourite songs and music.

As a children's storyteller, I am fully DBS checked and have my own Public Liability Insurance.

**Parties cost £150
(45 minutes)**

I charge travel costs at 50p per mile for parties over 10 miles away from my base in Hampshire.

*If you would like me to write you a story which is not already part of my **My Parties** stories and themes selection, I charge a surcharge of £30 to cover extra writing time and props. Please ask me for more information.

MERRY — GO — ROUND

My Parties

What to expect:

I will run an interactive 45 minute session based on your chosen story or theme and am happy to include any of your children's favourite songs or music within the storytelling.

- The birthday boy or girl will receive a present from me at the end of the session—a copy of 'Funny Tales and Fairy Tales' - my storytelling CD. It's has lots of classic stories. It's great for quiet times, bed-times, and long car journeys!
-
- For Fairytale, Dinosaur and Unicorn parties, your child will be the hero or heroine of our story and receive a real medal at the end of the story to keep to remember their party.
-
- I can have up to 30 children at a 45 minute My Parties session.
-
- My Parties Sessions work best at the beginning of your party and lead easily into your birthday tea, leaving time for some free play or your own party games at the end.
-
- Sessions are very interactive and need space for the children to move around in. I can run sessions in a hall, your home or outside in a park or garden! I also have stories suitable for smaller spaces. Please ask if you have any queries.
